

Which Government services are available online?

You can already enrol for these services through the Government Gateway. The government organisations that handle these services provide online forms, and information about appropriate software packages, on their websites.

The government services available online through the Government Gateway are:

Blaenau Gwent County Borough Council

- **Blaenau Gwent County Borough Council Citizen Account** - a service for all individuals, businesses and organisations that deal with the Council. The Citizen Account collates information for each of the Council services that you interact with and presents it to you with the convenience of only requiring one user account to access each of these individual services. Registration can only be performed from the Blaenau Gwent CBC website.
